

**SAY  
NO  
PLASTIC**

Focus On Living Not Wasting

Let's  
**SAVE**  
the world  
**TOGETHER**

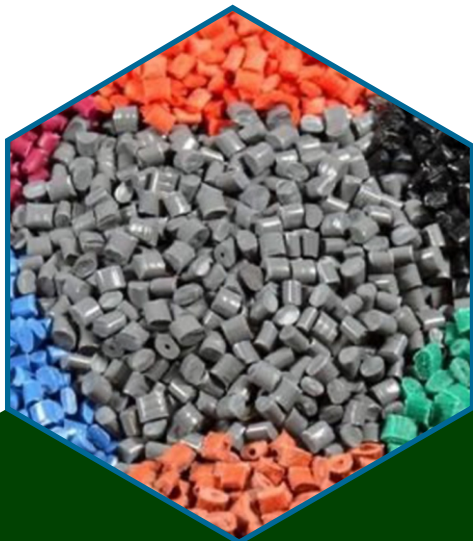

Transfer of technology from

**Bibo Biotech Pvt Ltd** has obtained technology transfer from **DRDO** (Defence Research and Development Organization), Ministry of Defense, Government of India, for manufacturing bio-degradable products in India.

# BIO DEGRADABLE

The use of plastic has become so ubiquitous that it's hard to imagine life without it. But the truth is, plastic is a major environmental pollutant. Every year, we generate millions of tons of plastic waste that ends up in landfills, oceans, and other ecosystems..
